timeware® feature in focus - Reporting...

timeware® Professional’s reporting feature offers unparalleled flexibility.

Users can generate various reports – from attendance summaries to detailed timesheets – tailored to their needs. These reports can be run instantly or scheduled for preset times, ensuring managers always have up-to-date information at their fingertips.

Case Study - Salisbury Poultry...

The Best of Tailored Workforce.

For nearly 20 years, Salisbury Poultry has relied on timeware® to expertly manage their workforce, now exceeding 1,000 employees. With a system customised to perfection, timeware® Professional integrates seamlessly with Suprema BioEntry W2 and BioStation 3 devices, utilising advanced face authentication and fingerprint recognition technology.

This innovative combination ensures precise time and attendance tracking, enhancing operational efficiency and supporting their sustained growth.

Discover how these cutting-edge solutions power their success by watching our short case study on YouTube.
